## Department of Pediatrics FINANCE AND ADMINISTRATION

### About

The Department of Pediatrics at Weill Cornell Medicine is committed to providing exceptional family-centered care for patients, supporting innovative research, and educating the next generation of pediatricians and pediatric scientists.

Affiliated with NewYork-Presbyterian Komansky Children's Hospital, we are a leading center for diagnosis and treatment of routine and challenging childhood diseases. We have twelve specialty divisions that include dozens of associated programs, services, clinics and outpatient care sites. We provide consultative services for the diagnosis and treatment of a wide range of pediatric disorders at various facilities.

The Finance and Administration team are responsible for overseeing the finance and operations of the divisions, working closely with departmental leadership to achieve financial and academic goals.
