January 26, 2021	Sallie Permar, MD, PhD Chair, Department of Pediatrics Weill Cornell Medicine Pediatrician-in-Chief NYP Komansky Children's Hospital NYP/Weill Cornell Medical Center	State of the Department

Target Audience: Weill Cornell Medicine physicians in Pediatrics and other interested physicians and health care providers, and students.

Course Objectives: Grand Rounds is intended to lead to improved patient care and safety based upon an assessment of gaps in physician knowledge, competence and performance. By the conclusion of this series, physicians should learn new content relevant to their practice that informs and thereby improves the clinical care they provide.

Questions/Contact: Niyoka Turnbull at nnt4001@med.cornell.edu or 212-746-3131
