

CONTINUING MEDICAL EDUCATION

Department of Pediatrics

February 2019
Grand Rounds
 8:30am-9:30am, Uris Auditorium

Date	Topic	Speaker
February 5, 2019	Interventional Genomics: A New Era on the Horizon	Ronald Cohn, MD <i>Hospital for Sick Children</i>
February 12, 2019	How Clinicians Contribute to Personalized Medicine: Qatari CF Population as an Example”	Ibrahim Janahi, MD <i>Weill Cornell Medicine, Qatar</i>
February 19, 2019	Motivational Interviewing to Facilitate Adolescent Health Behavior Change	Melanie Gold, DO <i>Columbia University</i>
February 26, 2019	PDA in Extremely Low Birth Weight Infants: If, When and How to Close It	Shyam K. Sathanandam, MD, FSCAI <i>LeBonheur Children Hospital</i>

Target Audience: Weill Cornell Medicine physicians in Pediatrics and other interested physicians and health care providers, and students.

Course Objectives: Grand Rounds is intended to lead to improved patient care and safety based upon an assessment of gaps in physician knowledge, competence and performance. By the conclusion of this series, physicians should learn new content relevant to their practice that informs and thereby improves the clinical care they provide.
