

CONTINUING MEDICAL EDUCATION

Department of Pediatrics

September 2019
Grand Rounds
8:30am-9:30am, Uris Auditorium

Date	Speaker	Topic
September 10, 2019	Richard J. Brill, MD, FAAP, MCCM Chief Medical Officer, Nationwide Children's Hospital	Quality and Safety
September 17, 2019	Soultana Tomopoulos, MD Associate Professor, Department of Pediatrics, NYU Langone Health	Digital Media and Low Income Young Children: The New Digital Divide
September 24, 2019	Jonathan Avery, MD Director, Addiction Psychiatry Associate Professor of Clinical Psychiatry, Weill Cornell Medicine Associate Attending Psychiatrist, New York-Presbyterian Hospital	Addiction Medicine in the Pediatric Population

Target Audience: Weill Cornell Medicine physicians in Pediatrics and other interested physicians and health care providers, and students.

Course Objectives: Grand Rounds is intended to lead to improved patient care and safety based upon an assessment of gaps in physician knowledge, competence and performance. By the conclusion of this series, physicians should learn new content relevant to their practice that informs and thereby improves the clinical care they provide.
