

CONTINUING MEDICAL EDUCATION

Department of Pediatrics

March 2018
Grand Rounds
8:30am-9:30am, Uris Auditorium

Date	Topic	Speaker
March, 6th, 2018	The Gut Microbiome in Mucosal and Extra-intestinal Manifestations of Inflammatory Bowel Disease	Randy Longman, MD
March, 13th, 2018	Four Facets of Pediatric Cancer Genetics	Michael Walsh, MD
March, 20th, 2018	Pediatric Patient-Reported Outcomes: Adding the Voices of Children to Research and Pediatric Practice	Chris Forrest, MD, PhD
March, 27th, 2018	Mighty: Motivational Interviewing for Getting Healthy Today	David Bell , MD, MPH

Target Audience: Weill Cornell Medicine physicians in Pediatrics and other interested physicians and health care providers, and students.

Course Objectives: Grand Rounds is intended to lead to improved patient care and safety based upon an assessment of gaps in physician knowledge, competence and performance. By the conclusion of this series, physicians should learn new content relevant to their practice that informs and thereby improves the clinical care they provide.
